Residential

Prestige are always available to offer advice and suggestions, but are also happy to work to our customer's designs, especially when it comes to canopies, arches, automated gates or handrails. Our experienced welding and fabrication workforce are committed to providing quality workmanship and service for all metal work projects, large or small.

Our wide range of fabrications available include:

Staircases and handrails

Gates and railings

Tanks and hoppers

Security doors, fencing and grilles

Roof support joists

Universal beams and columns

Rolled steel channels

Walkways

Flats, rounds, squares, angle and box sections

Sheets

Weldmesh and perforated mesh

Expanded metal

Antiram Bars

Canopies

Cad Design

Prestige are always available to offer advice and suggestions, but are also happy to work to our customer's designs.

With over 20 years' experience in metal craft, paint spraying, polishing, sand blasting and powder coating, you can be confident Prestige Welding & Powder Coating is the right choice.
